

Pumpkin Details for Workers

Prices for specialty pumpkins are on tables, cantaloupe orange pumpkins are called Spookies and are \$3, unless really small, then \$2. Bigger pumpkins price determined by tape measure.

Point out picture opportunities and volunteer to use their phone to take picture.

Free circle sticker to each purchaser. The Faces stickers are 50cents each sheet. There are recipes at cash box – turn to non-picture side for typed version if they want to photograph for later use. If there is a cooking interest, give them the orange recipe book.

Bucket of toys are leftovers from another time. If young children are interested, let them choose one as a bonus.

The ghost with the open mouth should have a plastic pumpkin nearby filled with colored bean bags – three of each color – for little kids to try and toss through the mouth of the ghost. Offer to video tape or hold the ghost while parent captures the fun.

Point out the rainbow bridge to the playground. Open to all except during preschool hours of 9-1:20 M-Th. Many buy their pumpkins and go over to play before going home.

Wheelbarrows are the shopping carts. We have four. If rain anticipated, put all paper products in orange plastic bucket under/near cashier's checkout location.

If there are rotten pumpkins, put them in a wheelbarrow and haul them across the parking lot on the southeast corner and toss them on the utility road for the deer to eat.
