RETHINK LEADERSHIP

SAVE THE DATE

TIDBITS

Hebrews 10:24 reads, "Let us consider each other carefully for the purpose of sparking love and good deeds." These words cause me to think of you and your extravagant generosity. Friends, I share with you that to date, the Rio Texas Conference has collected over \$558,000 for Hurricane Harvey relief. Here in the Capital District, your contribution to that amount is over \$130,000 to date. What a joy to celebrate!

[Click Here](#) to celebrate with us the hiring of two new leaders by the Rio Texas Conference to lead disaster recovery efforts.

And another personnel change, closer to home - Capital District Youth Coordinator Solange Woodson will be leaving her position this month to pursue a career in nursing. Over my time here as District Superintendent, it has been a great joy to work with Solange and to get to know her. Those of you who know her well know that she is a powerful force for good in this hurting world. Working with Solange helped me to learn more about the Democratic Republic of Congo and the challenges girls and women face there. Her passionate call led her to be the founding director of Furaha House, empowering women and girls for change. While we will miss Solange greatly, we give thanks to God for her ministry among us as Youth Coordinator. As well, we look forward to staying connected to her as she continues to be a part of our United Methodist family. Those of you who have had the privilege to work with Solange, please find a way to reach out to her and extend your love and support. She shares this message below:

Dear Capital District Family,

I am so grateful to God for allowing me to serve as the youth coordinator for the Capital District for the past 4 years. It has been a great joy to work with a lot of churches, pastors and youth directors in planning for Youth Spiritual Retreats, Mission Services, and Fellowships. I have enjoyed being able to see youth from different churches connect with one another and develop a deeper relationship with Christ through activities organized by the Capital District. I would like to thank you all for your support during these past 4 years and I wish to let you know that God has called me to follow a different path in our Mission Field. I will be attending nursing school full time to become an RN with the hope of opening a clinic for women and girls in the Democratic Republic of Congo. I pray that you continue the good works that we have begun here at Capital District and that you prosper in all you do in the Name of our Lord Jesus Christ and that his peace be with all always.

*In Christ,
Solange Woodson*

As we live into this Fall season, may we continue to offer our prayers and our time to those who need a word of hope. From Las Vegas to Puerto Rico, from California to our Gulf Coast, there is a great deal of pain and hurt. May we spark love and good deeds.

Be encouraged!
Teresa
