PRAYERS *of THANKS!!* :

THANKS

Our Thanks and Love go with Pastor Bonnie as she accepts an appointment this week to serve St Luke's UMC in downtown Austin beginning July 1st. Thank you, Bonnie & Mark for being such an integral part of our church community.

Do you remember stuffing hearts in Valentine boxes in Elementary School? Well, we have created a **"Love Offering" Box for Bonnie and Mark**. You won't be able to miss it. Look for it at the Greeters Table or at the back of the Sanctuary: polka dots, flowers, hearts and a pink round top with a slit for stuffing.

We are collecting cash and checks. These contributions are not tax-deductible, charitable contributions, so if you choose to give a check, please make it out to Bonnie and Mark How directly.

But that is not all, this box can also hold your personal notes to share fond memories of their times with us. Celebration cards will fit in too. And the best part: we will all get to see them receive the box on June 30 at the Farewell Pot Luck Lunch at the church – save the date! And be prepared to speak at the microphone to share your stories of past fun times with Bonnie and Mark.

Explanation

The chart depicts monthly income and expenses for the church using solid blue and solid red bars.

The net for a given month is the income minus the expenses for that month.

The cumulative net is indicated by the solid black line. It is the year-to-date (YTD) summation of all the monthly nets.

If the Cum YTD Net is above zero, that means we are running a surplus to date.

If the Cum YTD Net is negative, that means we are running a deficit to date.

address what individuals can do to help society transition from fossil fuels, other than changing personal behavior. Readers know instinctively that will not suffice, and so are left feeling the situation is hopeless.

Please join us in the future for a brown bag Noon discussion of the UMW Reading Program selections and the author visits. Please come and enjoy the discussion even if you have not yet finished reading the book.

Beginning MONDAY, JULY 8TH at 1pm

a 6-week study of this book will be led by Nancy Holmes in the Sanctuary. This resource covers basic conversational Spanish and simple, easy to follow worship material that can be implemented in a program of hospitality by congregations of any size

English-speaking congregations and churches can use this resource to learn basic Spanish-speaking skills to provide a welcoming atmosphere to the Hispanic communities surrounding them.

Books will be available with the sign-up sheet in the back of the sanctuary

This is part of the UMW Reading Program under Leadership Development ..

TIDBITS

Pentecost, an important day in the life of the church, can be a wonderful opportunity for family worship, discussions about church and the Holy Spirit, and a celebration of our faith. Pentecost is celebrated the seventh Sunday after Easter, June 9, 2019.

On **Pentecost Sunday**, we remember the day the disciples received the **Holy Spirit** in a special way. There was a powerful wind and tongues of fire (see **Acts 2:1-41**).

With **the gift of the Spirit**, the disciples were able to tell people from all over the world about Jesus in ways each could understand. The Bible reports that about 3,000 people were **baptized that day**, creating the first church.

ASK THE UMC:

WHAT IS ORDINARY TIME?

The Christian year includes two central cycles focused on major events in the life of Christ: the Christmas cycle (Advent-Christmas-Epiphany) and Easter cycle (Lent-Easter-Pentecost).

Each of these seasons begins with a time of preparation and anticipation followed by a time of celebration. Ordinary Time follows each cycle.

The word "ordinary" here does not mean "routine" or "not special." Instead, it refers to the "ordinal numbers" (first, second, third, etc.) used to name and count the Sundays (such as the Third Sunday after Epiphany).

This term comes from the Latin *ordinalis*, meaning "numbered" or "ordered," and *tempus ordinarium*, "measured time."

The first period of Ordinary Time, called the Season after Epiphany, begins on Epiphany Day and ends on the day before Ash Wednesday (the beginning of Lent). The central theme of this season is the calling of disciples and the early ministry of Jesus.

For some congregations, this will mean a focus on evangelism, as found in the Old Testament and **Gospel readings** for each week. For others, the focus will be preparing to help others grow in their discipleship. The **Epistle reading** each week emphasizes this.

The second period of Ordinary Time, the Season after Pentecost, follows the Easter cycle. It begins the day after Pentecost and continues to Advent. The purpose of this season is to support new disciples and the whole congregation in living out the gifts and callings discerned during the Easter Season and commissioned on the Day of Pentecost.

Every year, Christians experience the contrast between the central seasons of Christmas and Easter, where we see God in the events around the coming of Christ, and the in-between times, where we see, speak about and join God's ongoing work in the world.

We thus experience two regular cycles of preparation, celebration and action in ministry each year, with the Ordinary Times as the primary periods of action.
