PRAYERS of Thanksgiving:

Birthdays this Week: Lillian Smith & Hyacinth Fenty &

Sterling Hartman: I was in St David's Round Rock ER on Friday with pulse of 151-158 BPM. Drugs got it down to normal. Also checked heart attack proteins twice and I didn't have a heart attack ne. ER Doc thought it might have been caused by the Pointe raising room, board, and nursing \$400/mo to \$5186/mo-- that is \$62,232/yr.

The second good news is that I get to see Marilyn in person on Monday at the Pointe from 2-245 pm. First time in over three months

THURS, SEPT 10TH SHORT TERM BOOK STUDY SERMON ON THE MOUNT

SERMON on the MOUNT
 A BEGINNER'S GUIDE TO THE KINGDOM OF HEAVEN

Pastor Peter will be leading a six-week study of the Sermon on the Mount, utilizing Amy-Jill Levine's recent book *Sermon on the Mount: A Beginner's Guide to the Kingdom of Heaven*. The classes will be held via Zoom videoconferencing from **10-11:30am on 6 consecutive Thursday mornings, beginning September 10**. If you'd like to take part in this study, please email Peter@cpfumc.org.

The Sermon on the Mount, which is found in Matthew, chapters 5 through 7, contains some of Jesus' most profound and most memorable teachings. What might these teachings have meant to his disciples, and to the others who first heard them? How do they enhance our reading of the rest of Matthew's gospel, and how do they speak across the centuries to listeners today?

How, if we pay careful attention to his words, does Jesus provide us with a road map for living as God would have us live?

SEPT. 9TH A CHILD'S HAVEN (ACH) NEEDS VOLUNTEERS

The First Day of ACH went well ... getting accustomed to the process (*Neil has some great pictures!!*). Thank YOU to those that were able to help shepherd kids and parents to the right spots. Then the rain came... the second day changed some of the routine and BIG umbrellas were a great asset ... We will keep learning the process and do all we can to keep everyone safe

VOLUNTEER HELP DESIRED:

2-3 people assisting with check-in by walking the children AFTER temperature screening to class and getting hands washed to start the school day
 Assistant teacher on Wednesdays in 3's class

OUTDOOR playground wipers

INDOOR surface wipers such as doorknobs and hard surfaces

If you are able to assist in these important tasks for the health of the children and teachers, please contact Shannon to offer your help (director@childshaven.net). I am sure she will welcome whatever time you can offer if it is one day a week on the playground or every morning during check-in. It will take a village this year more than ever before.

We staggered our time for arrival and departure. I made a copy of where the parents need to go and what they need to do. I attached it to this email. Would it be possible first few weeks that we can ask the church staff to park in Area B until all the parents get accustomed to the new guidelines? Please let me know.

Thank you, Shannon P. Parker Director [A Child's Haven](#)

OCT 3RD PUMPKIN PATCH NEW OPPORTUNITIES !!

As I am sure you are all aware that we will be having a pumpkin patch this year. We are still on schedule to receive the pumpkins on Saturday, October 3rd at 9:00 AM. Much has been put out regarding the need for help unloading the pumpkins and we could still use more volunteers .

NEW area of need

BEFORE the pumpkins arrive we have to prepare the grassy area that is surrounded on two sides by parking lot. On Saturday, September 26th at

9:00 AM we will need volunteers to help us convert the area into the patch. Erecting a couple of tents, moving the empty pallets from behind the multi purpose building to the patch area to prepare to receive the pumpkins.

VOLUNTEERS ARE NEEDED for this. If we get enough people we should be done before noon.

Any questions about transforming the grounds for the patch, unloading the pumpkins, or working the patch please contact Bob Bowker at bob927bowker@gmail.com or 512-771-1680.

HELP NEEDED !!! HILL COUNTRY COMMUNITY MINISTRIES (HCCM) GOD BLESS YOU ALL !!

THEY NEED OUR HELP!!!!
 HCCM IS NOW ACCEPTING FOOD DONATIONS. Since we are not having in person Church services you are unable to bring donations on Sunday as you have been used to doing. **Starting Tuesday August 4th** I will come to the Church parking lot from **10:00 until 10:30** for anyone who would like to drop food off, which I will then take up to HCCM. There is a box on the front porch of the church for donations also.

Our donation this week was 96pounds.

In the last 6 weeks we have donated 900 pounds of goods. Really proud of our Church with this effort

A New Reformation? Look To The Ngos

COLUMBIA, Mo. (UM News) — The church of today stands at the threshold of a new reformation, measured not by its size or budget, but its heart, writes the Rev. Mel West. Following the example of nongovernmental organizations, its members will "prefer deeds over creeds, work over words and mentors over messengers and who will seek co-workers more than converts."

Churches See Census As Part Of Their Mission

"And it came to pass in those days, that there went out a decree from Caesar Augustus..." — Luke 2:1
The Rev. Ralph Thompson (right), senior pastor of Columbia Drive United Methodist Church, and Taressa Thompson, the church's first lady, stand with a Fair Count sign and "Come To Your Census!" T-shirts. The two are working with the nonpartisan nonprofit to make sure people get counted in the census. Photo courtesy of Taressa Thompson.

When first asked to help with this year's U.S. census, the Rev. Eric Reece was initially hesitant to add to his already packed schedule ministering in a pandemic.

"But what came to mind was the Christmas story," the United Methodist pastor said. "It's because of a census that I know the story of salvation."

He figured if a Roman census played such a significant role in Christ's birth, then Christ's followers have a role to play in ensuring an accurate census.

Now his congregation, Robbinsville United Methodist Church, is working with other nonprofit groups across western North Carolina to increase the usually low census response rate in their rural, mountainous region.

The North Carolina congregation is not alone. All across the United States, United Methodists are trying to make sure everyone in the U.S. can stand up and be counted in the once-a-decade census. They especially are focusing on historically undercounted populations, including people of color, immigrants, renters and rural residents.
