In the end, politics is nothing more than an instrument of social good and human development. It is meant to be the right arm of those whose souls have melted into God.

PRAYERS of Thanksgiving:

Sterling Hartman: Visits for Marilyn last sat from her two grandaughters from New Orleans and prodigal grandson from Tennessee and on Sunday from son and daughter in law. Incredible positive impact from two 45 minute visits.

The cat i hurricane that hit New Orleans last Tuesday dropped a tree on their fence that needed replacing anyway. No damage to house but no power for a day.

PRAYERS of Sympathy:

Adalid Verastegui and family on the death of his wife Mary Linda

Steve Howard and family on the death of his wife Linda

PRAYERS for Help and Healing:

Priscilla Gregory: coming HOME!!!

For patience and understanding ...

Laurel Fabian. Continued Prayers for my friend Ruth Sutera who is going through Radiation and Chemotherapy for Tonsil Cancer

Parthenia Hughes Keys. Hospitalized but home....having issues breathing.

Marlene Wenger. Amber and family who have experience much loss.

Sterling Hartman. Prayers for the millions of unemployed, including my brother Richard.

Please remember the Youth as they struggle getting back into school but still missing their school chums!!

THANK YOU PUMPKINS ...

Dear Partners,

Thank you to you and your group for making the commitment to host a Pumpkin Patch this year. We appreciate all that you do.

Normal revenue was down around 30% this year. Good news, partners like yourselves were up significantly and that helped save our business.

Thanks, Richard & The Pumpkin Family

-PUMPKIN PATCH SALES: TOTAL sales = \$12,243.45 of which \$4,077.07 we keep !!

Our Story

- Pumpkin Patch Fundraisers **began in 1974** in North Carolina with 3 acres of pumpkins and a partnership with one church. We agreed to let the church sell the pumpkins and they would share the proceeds. There was no contract, no legal proceedings...just a handshake and trust in each other. Richard and Janice Hamby have been growing pumpkins and adding partners ever since.
- It's a wonderful **partnership of trust**. The churches and non-profit organizations trust us to grow and deliver great pumpkins. We trust those organizations to be diligent in selling their pumpkins, honest in reporting their sales, and attentive to paying our percentage of sales. We are responsible for all of the costs associated with growing, harvesting and shipping. To ensure that our partners have a successful patch, we bear all of the risk of loss due to theft and spoilage. While it is unusual in the business world, this relationship of trust has been very effective throughout the years. In fact that first church, Centenary United Methodist Church, is still with us today.
- After being hit by Hurricane Hugo we **moved our farming** operations to the **Navajo Indian Reservation in Farmington, NM**. In cooperation with the Navajo Nation, we grow 1,200 acres or approximately 2 square miles of pumpkins and employee over 700 Native Americans during our harvest months of September and October. We also have a full time off-season NM staff that is comprised of entirely Native Americans. This has a positive and lasting impact on a region with 42% unemployment.
- Since 1974, our pumpkin patch family has grown to over **1,000 organizations** covering the Continental US, representing 25 denominations of churches and youth groups, scouts, schools, fraternal organizations, habitat groups and other civic organizations. The Hamby's son, John, has now graduated from college and joined the company to continue another generation of family focused business. The entire project is still based on trust.
- Pumpkin Patch Fundraisers produces a premium quality pumpkin for your fundraising needs. We grow 25 varieties of pumpkins in order to provide you with a wide selection of sizes, shapes and colors for your patch.
- Our farming location in the upland desert region of New Mexico is blessed with high elevation, dry air and limited insect population. These qualities combine to produce a superior product and consistent quantities that ensure inventory through the entirety of your pumpkin sale.
- Pumpkin Patch Fundraisers also exercises **sustainable agricultural practices**. We implement crop rotation, varying crops from year to year to limit pest problems thereby reducing the need for insecticides. We use cover crops to prevent soil erosion & suppress weeds. This limits the need for the use of herbicides. We use soil-mapping technology, which enables us to use the optimal amount of seed and fertilizer. This allows us to maximize yields efficiently. All Pumpkin Patch products are non-GMO. These responsible agricultural practices mean that we provide a great product, which has less of an impact on the environment.
- Our products are bulk loaded (loose, within the trailer). This produces a higher quality of product on delivery and eliminates the need for the necessity of a forklift for unloading.

THANK YOU !!!

HILL COUNTRY COMMUNITY MINISTRIES (HCCM)

GOD BLESS YOU ALL!!

Bob Bowker is at the Church parking lot from **10:00 until 10:30 on Tuesdays** for anyone who would like to drop food off, which he will then take up to HCCM. There is a box on the front porch of the church for donations also. Any questions please give me a call, Bob cell 512-771-1680

Our coat and blanket drive is going on now through November 6th.

This Week

We had 3 coats (combo of men's, women's, & kids). Also, we had 1 blankets
Our totals for this years drive are 30 coats and 24 Blankets

Thank you to all who participated. There will be a good number of people, who are facing very difficult times, who will be warmer this winter because of your thoughtfulness

Food and health items donated this week was 70 pounds !!! Way To Go !!!! Thanks to all

Nov-Dec Fall Work Day 2020

The Trustees are like a Property Committee for the church. Among our responsibilities is to see that the buildings and grounds that God has entrusted to us are maintained and cared for. Even though we are crazy enough to become Trustees, we are not crazy enough to think that we can do all of this work by ourselves. One of our biggest jobs is to engage you all, the congregation, in this work. These buildings and these grounds are your church home, too.

We do this by sponsoring Work Days. In the past there has been one Work Day in the spring and one Work Day in the fall. During this Year of COVID, our Spring Work Day was cancelled. COVID is still around, but we decided **not** to cancel the Fall Work Day, but to take a different approach.

Currently we cannot work in a large group on one specific day at the same time, so we decided to make the 2020 Fall Work Day last from November 1st until December 31st. We figure that if a pandemic can redefine what "normal life" is, then it is a small leap to redefine the meaning of "Work Day."

We have a <u>list of the tasks</u> that need to be done to care for and maintain what God has given us. Some of these tasks are inside tasks and some of them are outside tasks We are asking you to pick a task or two, sign up for one or more of them online and then complete them at your leisure on a schedule that fits your life. The only condition is that we want to get as many of them as possible done by the end of the year.

So, the Fall 2020 Work Day begins on November 1st and ends on December 31st.

Please help out as you are able by signing up for a task or two online using the church website home page. When you are done with the task, please mark it completed. We will celebrate our Fall 2020 Work Day accomplishments in the New Year.

SAMPLE of Tasks: See the entire illustrated list at list of the tasks

- Trim tree branches to 10 ft above the sidewalk near the arbor to the Memorial Outdoor Sanctuary (MOS).
- Sand and paint many benches in the MOS.
- · Pull weeds in the MOS. Take vines out of trees, while you are there
- Prop up the road sign so that it is straighter.
- Tighten LH faucet to the sink in the MMB Classroom 1.
- Replace stained ceiling tiles in MMB Ladies restroom.
- Sand/scrape, paint/stain the trim around the sign in front of the Sanctuary building.
- Tighten LH (Hot) water faucet to the sink in the church office restroom in the MMB.
- Replace burned out T-12 fluorescent tubes in the Men's restroom ceiling fixture.
- Repair table support. Drill out old riveted fastener; install bolt & nut fastener.
- Replace burned out T-12 fluorescent tubes in the Kitchen ceiling fixtures.
- get extra "bads" from behind MMB
- Replace Dusk to Dawn lamp in fixture at the front of the Sanctuary Building
- Straighten the sign, Wedges needed. Rock isn't enough. Wipe down Eastside light green moss growing

A Child's Haven Seeking Volunteers

2-3 people assisting with check-in by walking the children AFTER temperature screening to class and getting hands washed to start the school day

Assistant teacher on Wednesdays in 3's class

OUTDOOR playground wipers

INDOOR surface wipers such as doorknobs and hard surfaces

If you are able to assist in these important tasks for the health of the children and teachers, please contact Shannon to offer your help (director@childshaven.net). I am sure she will welcome whatever time you can offer if it is one day a week on the playground or every morning during check-in. It will take a village this year more than ever before.

OCT. THE HAPPENINGS. @ ACH TOP STORIES..

October was an eventful month! So much going on here at the preschool. At drop-off and pick-up each day, you can see the amazing Pumpkin Patch! What a great job CPFUMC staff and volunteers did setting up the patch and giving our families a place to take pictures and celebrate the season with our little ones. Speaking of CPFUMC, I would like to thank Miss Jane for volunteering her time everyday to help us with drop off and pick up, as well as sub for a day! We appreciate her and all her hard work.

So please give a huge THANK YOU to Miss Jane when you see her.

LISD started half days on Wednesdays for the remainder of the school year, I sent out a form to see how many families this would affect for our Wednesday pick up time, since there are less than 15% of families that it affects, we will be keeping our times as they are now. If you need accommodations in your pickup schedule, please call me directly or email me, we will be happy to work with you.

We sent home our November and Holiday Scholastic Order forms. Please consider ordering and helping out our school! Orders are due by Nov. 15. Please feel free to order online, the codes are on the catalogs sent home.

Our families have been doing a great job keeping up with our Daily COVID Screener. If you are not doing this everyday before drop off, please follow this link and make sure it is completed. There has been an increase in COVID cases, in order to keep our families healthy, we ask you to please practice your social distancing at home and if there is anyone in your house that has been exposed to COVID or is showing symptoms, please keep your preschooler home. We need to work together to make this year successful.

Daily COVID Screening link: https://forms.gle/PE277GicDDnRB1ow7

. The last day of school before Thanksgiving Break is November 19.

The week of Nov. 16-19 we will be having parent/teacher conferences. We will send home information in the coming weeks.

As the temperatures fluctuate from hot to cold, please remember to dress your children accordingly. We will be spending as much time outdoors as possible, so they will need jackets, hats and gloves on the colder days.

I added our calendar page on our website, www.achildshavenpreschool.com. I will post all the holidays, half days and days off on this page. We will also be adding a teachers wish list per each class if you ever feel like donating and sending items to the school.

If you have, or know anyone that has age appropriate toys for our 18-24 month class that are no longer in use, we are looking to refresh our classroom and would greatly appreciate your donations.

Miss Rebecca and Miss Yaheli's 14-2's by Miss Yaheli

October was so much fun for our littles in the 1s-2s class. We learned about fall and Halloween, we made lots of art and crafts. We also practiced colors, and a few social skills, like being patient, taking turns and using gentle hands.

November will be a month to be thankful and we will learn to identify feelings and use our words to express them. We will continue to practice naming colors and sorting by color.

Be prepared to see many turkeys and thanksgiving art!

This month we will be splitting our 18-24's and our 2's class into two separate rooms. Yay! Our class is growing!

Miss Marla and Miss Megan's 3's

by Marla

Our 3's have been busy this October!

- We incorporated the color orange and ovals into a lot of our crafts and games this month. We had fun talking about nocturnal animals. The nice fall weather has given us a great opportunity to get outside and see what the season of fall does to the nature around us.
- In November, we will focus on diamonds and the color brown. We have a fun month planned discussing community helpers, transportation, and of course, thanks giving.

Miss Barbara's 4's

By Miss Barbara

Our Four's class had a very successful month. We spend a lot of time outdoors, so please remember your jackets, gloves and hats on the colder days. This month we reviewed our Math Patterns- Small to Large, Numbers 0-15. In reading we enjoyed identifying our letters with A-Z Phonics, listening to stories, learning our sight words, and learning about nocturnal animals. In Science we had an Oobleck experiment.

This November we look forward to learning about harvest, patterns, community helpers, and giving thanks.

Miss Reanna's Kinder Bridge

By Miss Reanna

- Kinder Bridge had a fun filled month in October. We were blessed with a few days that felt fall and we took full advantage of it by **taking our lessons outdoors**. We studied the leaves changing colors and learned about fall by reading both fiction and nonfiction books. As Halloween approached, we learned about bats, spiders, and nocturnal animals.
- This month we focused on setting a strong foundation for math and literacy that we will build upon throughout the school year. We reviewed concepts about print, capital and lowercase letters, and letter sounds. The students worked hard on applying these skills when looking for missing sounds at the beginning, middle, and end of words. In math, we worked on understanding the value of numbers 1-20, the basic concepts of addition and subtraction, and number lines.
- Our **Fruit of the Spirit this month was joy**. We learned about the joy that God brings to our lives when we know and love Him. We also talked about how we can share that joy with others in things that we do every day!

We would also like to send a shout out to our amazing volunteers, Miss Karen and Miss Jane! THANK YOU! Without volunteers like you, our school wouldn't be as successful as it is. We appreciate you and all that you do for us.
