

**It takes many hands to make things happen.**

**H-E-Buddy,  
we thank you for helping us celebrate  
with our neighbors.**

National Night Out was a time when neighbors came out to meet neighbors. Many of our neighbors joined us for a night of games and food. The hot dogs cooked by Pat and Anthony Sowder, the cotton candy by Gigi and Jett Heersman, and my favorite the snow cones. Thank you to Sweet Rides of Central Texas.

A huge thank you to H-E-Buddy for attending and providing us with the supplies. Thank you to all who joined us, made donations, ran games, set up, and cleaned up.

Thank you for making this an event we will remember for a long time.

Some of our friends.

We answered the call of Buckles and Bows Square Club. The dance was fun. They dance Wednesday evenings, please give them a call to join.

There were several Natinal Night Out organizers and police officers on site.

The neighborhood families came out in costume.

Nothing is complete until the clean-up is over.
