15 days left. Maryann has a list and she is checking it twice. She'd love to write your name down to help move the pumpkin pallets. If you are short on muscles, volunteer as a supervisor. Help point to the lineup for placement of pallets. We also need water station attendants and supporters to cheer us on. Several sets of eyes are needed to make sure the sales tent is straight and in the right place.

Text Maryann to get on her list of Pumpkin Pallet Champions:

Windows 11 Is Coming Soon

It's all about security, but your older computer won't be able to run it.

Microsoft will be publishing a PC Health Check app which you can use to check if your computer will run Windows 11, but as of September 3, 2021 the tool is still “Coming Soon.” Check on [Microsoft's Windows 11 website](#) for future availability of this app to assess whether or not your computer can run Windows 11.

Don't Panic: Windows 10 Is Still Good for A While
