Please check out the cpfumc.org website under “When’s the Next...” to see yourself last year setting up the pumpkin patch and also unloading the pumpkins.

Through the magic of Neil Howard’s compression technology, the two hour events take place in minutes and are hilarious to watch.

Hill Country Ministries wants to thank CPFUM for joining the Stuff the Truck and Laces for Leander for 2021. Through our support HCCM was able to provide Free brand-new athletic shoes to over 400 students of HCCM as well as Leander ISD students in grade preK-12. Studies show that 87% of children receiving a new pair of shoes showed an increase in self-esteem and a 70% increase in physical activity. Together and with over 330 volunteer hours we were able to provide ore than just a pair of shoes, but hope, dignity, and joy!

Sincerely,
Gene Krider
Director of Community Engagement

Mark your calendar and volunteer to help move pallets to set up the Pumpkin Patch September 25 at 10am. We've got the trucks, now we need to get the commitment from some dedicated helpers to load and unload the trucks. If you have a bad back, please come and be the truck traffic director at the MMB pickup zone.
