Commitment Sunday will be on November 21, when we are asking you to submit your pledge card. Let's pray for one another over these next few weeks during this important time. Each family's situation is different, but we are all encouraged to do what we can. Your giving makes it possible for us to do a whole lot of good not only for the church itself, but also for the community of Cedar Park and for the world!

We are currently experiencing a shortfall in offerings to the church's General Fund, which is the church's operating account and is used to pay all our bills. Expenses this year have unfortunately exceeded income by almost \$15,000. With our cash reserves steadily dwindling, would you consider helping us make up the difference over the last two months of the year? Any additional generosity on your part would be greatly appreciated!

_Our new logo reflects two main themes:

Transformation and Peace.

Transformation is displayed through the heart's gradient, and is meant to reflect the transformation our program has undergone over the past year and half, with a move to a new facility and a new partnership with Leander ISD. It also reflects the transformation our families experience during their time with us. Teen parents become high school graduates; infants grow to become toddlers; and toddlers develop new skills to prepare them for success in Kindergarten and beyond.

A CPFUMC Ministries Brochure has been prepared. Hardcopy is available on the desk in the Narthex.
