COACH HEERMANS TO OFFER FREE LINE DANCING CLASSES IN SEPTEMBER

Leander High School Coach GiGi Heermans will be leading a FREE four-week line dancing class in the Sanctuary, beginning Wednesday September 10th at 4:30pm. Line dancing is a social, choreographed dance performed by people in rows to a repeating sequence of steps, without physical contact. It is a fun, partner-free activity that promotes physical and mental well-being and can be learned by anyone!

Coach Heermans will be bringing back some “old school” dances and also introducing some new ones. This is a great and easy way for adults to get some healthy exercise for both the body and the brain! Sign up in the Lobby to take part.

As our Conference continues to assess the impact of the flooding along the Guadalupe River and surrounding communities, one of the most effective ways you can help right now is through financial gifts.

Our Bishop, Cynthia Harvey, and our Conference Disaster Response Team is encouraging churches to make contributions to a special Disaster Response Fund. CPFUMC will be accepting donations over the next few Sundays to provide relief for those affected by the severe floods and devastation. Please note “Flood Relief” on your gift.

Your generosity will support immediate needs in the affected areas. Our Conference is also working with UMCOR on securing an initial grant to aid their response. Please continue to pray, and stay tuned for updates on specific needs as assessments continue.

*Dear Cedar Park First United Methodist Church,
You are not just a donor -
You are a partner in this mission. Your generosity helps us bring stability, dignity, and support to those who
need it most. We couldn't do this without you.
Thank you for standing with us!
With gratitude,

HELP US FEED UT STUDENTS AT THE TEXAS WESLEY

The Texas Wesley Foundation is the United Methodist student ministry on the University of Texas campus in Austin, Texas. Every Thursday evening about 40 students gather at the Texas Wesley for a meal and worship service.

On Thursday, October 9 we'll be providing the meal for these students. Sign up now in the Lobby to provide either a soup, a salad, or cookies for this meal. We'll collect your food contribution at the church, either on Wednesday evening, October 8 or Thursday morning, October 9. Be contemplating what you would like to share with these students. For more information on the Texas Wesley see www.texaswesley.com.

*Dear Methodist Friends,
Thank you for the memory cloth for Perry and the two beautiful cards. Your friendship means so much.
You each have been welcoming and it is much appreciated.*

Sincerely, Janet Sewell

LYDIA PATTERSON INSTITUTE

VISA POLICY CHANGE AFFECTING STUDENT ACCESS AT LYDIA PATTERSON INSTITUTE

Due to the recent changes in U.S. visa policy, some of the students attending the United Methodist-affiliated high school Lydia Patterson Institute (LPI) in El Paso, Texas—especially those living in Ciudad Juárez—are being affected. New rules require all F-1 student visa applicants, both new and returning, to undergo enhanced screening. This includes public access to social media, documentation of online activity, and broad reviews of “hostile attitudes”—a term that remains undefined and open to wide interpretation.

These requirements are slowing the process and placing LPI’s students from underserved communities at a disadvantage. Priority is being given to students at large universities, not schools like LPI, where 40% of the students are international and many face financial, political, and logistical barriers.

In response, LPI is preparing to offer hybrid learning this fall—with some students attending in person, and others learning remotely from across the border. Whether they are in El Paso or Juárez, the school’s commitment is the same: the students will continue learning, and LPI will continue teaching, supporting, and offering scholarships.

But the school needs your help to make this possible. Here are the urgent needs:

- Student Devices
- Internet Access Support
- Digital Curriculum & Learning Platform
- Teacher Technology
- IT Infrastructure
- Setup & Training
- If you are able to help, please make a donation to CPFUMC and mark the payment for Lydia Patterson or LPI.

Microsoft Sends 60-Day Warning to Windows 10 Users

Microsoft will end support for Windows 10 on October 14, 2025. After this date, Windows 10 will continue to function, but it will no longer

receive security updates, feature updates, or technical support from Microsoft. This means devices running Windows 10 will become increasingly vulnerable to security threats and malware.

To stay protected, users are advised to upgrade to Windows 11, which can be done for free if the PC meets the Windows 11 system requirements, or to enroll in the Windows 10 Consumer Extended Security Updates (ESU) program, which provides critical security updates for one additional year at a cost.

A recent announcement indicates that users who log into their Windows 10 device with a Microsoft account and sync their settings may automatically receive one year of free extended support, extending protection until October 2026.
