Finance Report

In February, the Church had an operating gain of \$141. It's not a lot, but after the disastrous January impacted by icy weather that forced the cancellation of one week of Sunday services, a positive number is great news. Pledged income was slightly above budget, but unpledged and other income was below budget. The church is doing well on controlling operating expenses in 2026. However, keep in mind that apportionments will begin in March and will be a recurring item for the remainder of the year. Specific operating expense line items were either one-time or consistent with budgeted amounts. The Endowment Fund increased by \$1,320 in February to \$118,857. Both the Balanced Fund and the U.S. Equity Fund posted gains.

YTD Financial status through February 28, 2026

Total Income: \$33,424

Total Expenses: \$39,626

Net Loss: -\$6,202
